Dear Will Brightbill:

This is in reply to your January 14, 2025 e-mail regarding a recent Community Board #8 Resolution to revise parking regulations in front of the Ruppert Yorkville Towers at 1601-1619 and 1623-1641 3rd Avenue.

The Manhattan Borough Engineering Office completed a field investigation at these locations. As a result, work orders were issued to install "No Standing Anytime" regulatory signage for the Ruppert Yorkville Towers entrances on the south side of East 92nd Street as well as the north side of East 90th Street between 3rd Avenue and 2nd Avenue. These orders were submitted to our sign maintenance unit and will be scheduled accordingly.

Thank you for contacting our office.

Sincerely,

A handwritten signature in blue ink, appearing to read "E.F. Pincar Jr.", written over a light blue circular stamp.
